November 13, 2003

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**STREET SWEEPING TRAFFIC REGULATIONS  
WALNUT PARK AREA  
SUPERVISORIAL DISTRICTS 1 AND 4  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Rescind traffic regulation orders prohibiting parking during street sweeping, at the times and locations specified in the enclosed Exhibit A, in the Walnut Park area.
2. Adopt traffic regulation orders prohibiting parking during street sweeping, at the times and locations specified in the enclosed Exhibit B, in the Walnut Park area.
3. Instruct the Director of Public Works to post signs along the affected streets to apprise the public as to the nature and extent of the prohibitions.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Public Works proposes to schedule street sweeping to occur the day following trash collection in the Walnut Park area generally bounded by the City of Huntington Park to the north and east, the City of South Gate to the south, and Alameda Street to the west.

The modification of street sweeping traffic regulation orders is necessary prior to implementing the revised street sweeping schedule.

### **Implementation of Strategic Plan Goals**

These recommendations are consistent with the County Strategic Plan Goals of Service Excellence and Organizational Effectiveness as implementation will accommodate the residents' requests and optimize the effectiveness of our street sweeping operations in conjunction with trash collection.

### **FISCAL IMPACT/FINANCING**

Sufficient funds are included in the Public Works Road Budget to cover the minor costs of removing and installing the necessary signs and markings. Financing is not required.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The California Vehicle Code authorizes your Board to implement these traffic regulations, which are required prior to enforcement by the California Highway Patrol and Sheriff's Department.

### **ENVIRONMENTAL DOCUMENTATION**

The establishment of these regulations, including the installation of related traffic control devices required to notify the motoring public, is categorically exempt under Class I-(x)7 of the Environmental Guidelines approved by your Board.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

The Honorable Board of Supervisors  
November 13, 2003

**CONCLUSION**

At such time as these recommendations may be approved, please return one copy of this letter to Public Works.

Respectfully submitted,

JAMES A. NOYES  
Director of Public Works
